

“Are Your Medications Making You Sick?”

July 29—10:00am

Join Dr. Herb Jacobs, MD for an eye opening presentation on monitoring your medications. He will talk about drug interactions, dosages, side effects and other important information you should know about the drugs you are taking.

Make sure you have full information on the medications your doctor prescribes for you!
Location: Unit #52 (clubhouse) at 2495 S. Quebec St., Denver, CO 80231. Look for the balloons! RSVP: 303 753-2179.
